ADDRESS:

Reason/Discussion/Follow-Up/How Heard of CNO?

- Beth is doing quite well
- her health is okay and so is her attendance
- she's been working at Horizons House for a little more than one year
- there have been no problems with her duties
- they have changed Beth's work schedule so that she can meet her conditions
- he is her direct supervisor and is pleased with her work; as well her co-workers have given both him and Beth positive feedback
- he has no concerns about her health or possible relapse to previous behaviour
